

# Can I Get a Light?

Isaiah 60:1-4, 6

Dr. Mike Hoppe

Question: If Jesus has lit up the world, why is the world still so dark?

Isaiah 60:1-4, 6

## 1. It's Still Dark

- “Thick Darkness” is the same word for “storm clouds”
- The people of Israel returned to the city of Jerusalem
- A “pessimist” is a specialist in “the worst”
- “If God is still at work in the church, I can be too.”

Luke 11: 34-35

## 2. Your Light Has Come

- Economic Light
- Church Light
- Community Light
- How will you be light?
